

## Free School Meals

The government Free School Meal scheme has been provided by Edenred and is independent to the scheme run within school during term time. Parents of pupils entitled to free school meals who had prior to 10th July confirmed they wanted to receive a summer voucher provided the school with their email address. Regrettably as this is a government scheme the school will not be able to make any changes or assist with queries regarding the scheme during the holiday period. The e-voucher delivery date to your email address is 20th July.
