

7th September 2021

Dear Parent/Guardian,

We have recently set up Quizlet, which is an online platform to revise and use key vocabulary through a range of activities in Spanish. This will give pupils the opportunity to complete homework, practise key vocabulary and revise for assessments throughout KS3 and KS4. Vocabulary retention is a vital part of learning a language.

An email address of either the pupil or a parent/guardian on behalf of the pupil (email addresses require the age of 13+) is required to set up the account. Please follow the instructions:

- Go to www.quizlet.com
- In the top right corner, click 'Sign up' and follow the instructions to create an account

Should you have any questions regarding Quizlet or creating an account, please do not hesitate to contact me.

Yours sincerely,

Miss S Rigby
Second in MFL
