

Addendum to Assessment Policy for 2020-21

- 1) Reporting.  
Parents Evening will be run via video link using a system called School Cloud.
  
- 2) Pupils do not have prep this year so Heads of Year, pastoral manger and SLT will be looking at the assessment data after each cycle.
  
- 3) Target setting  
In 2020 Cat tests will form the basis of target setting.
  
- 4) Initial classes in Year 7 this year were based on the Key Stage 2 teacher assessments collected from year 6 teachers. All primary schools were spoken to by the Primary Transition Coordinator who met with the staff including the Headteacher and Year 6 teachers. The pupils will remain in these classes until January when they will be set according to the data generated by the CAT4 tests and teacher assessments carried out at the end of the Autumn term. Pupils are taught in the same class for all subjects.
