Statutory consultation on the proposed coordinated admission schemes for Primary and Secondary schools for 2024/2025

From 19 October 2022 to 7 December 2022

Why are we consulting?

Every Local Authority is required by law to have a scheme for co-ordinating the normal admissions round each year for all state-funded schools in their area. When changes are proposed to the coordinated admission scheme, the Local Authority must consult on their proposed new coordinated admission scheme.

In addition, every Local Authority must consult on its coordinated admissions scheme at least every seven years, even if there have been no changes to the coordinated admissions scheme during that period.

When a Local Authority is consulting on its coordinated admissions scheme (either because of proposed changes or to meet the seven year requirement), the consultation must take place for a minimum of six weeks between 1 October (at the earliest) and 31 December (at the latest) in the determination year.

The consultation period for Blackburn with Darwen Borough Council's coordinated admissions scheme for Primary and Secondary schools will run from 19 October 2022 to 7 December 2022.

What are we proposing to change and why?

We are not proposing to make any changes to our coordinated admission scheme at this time. However, in line with the School Admissions Code 2021, we must consult on our coordinated admissions scheme arrangements at least every 7 years, even if no changes are being proposed.

As we are approaching the end of this 7 year period, we would like to hear your views on our current coordinated admissions scheme arrangements. The following paragraph details the purpose of the scheme, which you may use to inform your feedback:

The purpose of co-ordinated admission schemes is to establish mechanisms for ensuring, so far as reasonably practicable, that every parent/carer of a child living in the LA area who has applied for a school place in the 'normal admission round' receives an offer of a school place on the national offer day. The scheme must also cover late applications made after the closing date but before the start of the school year.

We are consulting on both our proposed primary *and* secondary school coordinated admission arrangements for 2024/25. Both proposed coordinated admission schemes have been provided as part of this consultation.

Who are we consulting with

We are seeking views from:

- 1) Parents in our borough who have children between the ages of two and eighteen
- 2) Other persons in our borough who the Local Authority believes will have an interest in the proposed admissions;
- 3) All other admission authorities within the borough;
- 4) Governing bodies in the borough (who are not admission authorities);
- 5) Our adjoining/neighbouring local authorities where they are an admission authority;
- 6) The bodies representing the religions/religious denominations of the faith schools in our borough.

Consultation timetable

19 October 2022	Consultation opens.
7 December 2022	End of consultation period and deadline for submitting responses to the Local Authority.
Week commencing 5 December 2022	Analysis of consultation responses and preparation of information to be considered by the Local Authority.
16 December 2022	Executive Member Decision Meeting
23 December 2022	Formal determination of coordinated admission scheme arrangements.
1 January 2023	Publication of determined coordinated admission scheme arrangements.

Coordinated Secondary Admission Scheme for 2024/25 academic year

1. Background

The law requires Local Authorities (LAs) to establish a co-ordinated admission scheme that will apply to all state funded secondary schools in their area.

The purpose of co-ordinated admission schemes is to establish mechanisms for ensuring, so far as reasonably practicable, that every parent/carer of a child living in the LA area who has applied for a school place in the 'normal admission round' receives one offer of a school place on the national offer day. The scheme must also cover late applications made after the closing date, but before the start of the school year.

The Local Authority must also provide information in the composite prospectus setting out how applications that are made during the academic year for admissions to age groups other than the normal year of entry, i.e. "In-Year applications", will be dealt with.

The Council is required to inform the Secretary of State of the agreed scheme by **28 February 2023**. The Secretary of State will impose a scheme if the Council fails to notify him of the agreed scheme.

2. Co-ordinated scheme for the 'normal admission round'

2.1 Equal preferences

It is a legal requirement on all admission authorities to consider equally all applications for admission to publicly funded secondary schools. The rank order of preference, whether a first, second or third preference, will not be taken into consideration at this stage. If the school receives more applications than the published admission number, the relevant oversubscription criteria will be applied by the school's admissions authority to all applicants.

If it is possible to offer admission at more than one of the preferred schools then the school at which a place will be offered will be the one that is the highest ranked on the common application form.

Offers from lower preference schools will be removed and these places will be offered to other eligible children. This will ensure that each child is only offered a place at one school.

2.2 Fraudulent applications

If the Council or a school finds that misleading information has been given, the child may not be given a place at that school. If a place has been offered, that place may be withdrawn. If the place is withdrawn, the application will be considered again, based on the correct information. If the application is refused a right of appeal will be given. If the child is allowed to continue at that school, their sibling(s) may not be given priority for places at that school under the "sibling" category in the admission policy if they then apply for places at the school in question.

2.3 Stage 1 – Common application form

The Council will publish an admission prospectus. This will be available from the Council's website. www.blackburn.gov.uk/admissions, any Blackburn with Darwen primary school and from the Children's Services Department from **4 September 2023**. Parent(s)/carer(s) are encouraged to apply using the on-line form which will be available from **4 September 2023**.

The online application form or the common application form which is included in the prospectus for admission to all publicly funded secondary schools must be completed by parent(s)/carer(s) of Blackburn with Darwen (BwD) children (even if you are applying for a school place in another Local Authority area) by **31 October 2023** ("the closing date") and returned to the School Admissions Team. Schools are also requested to return completed forms sent to them in error to the Council's Schools Admissions Team

The online application form / common application form (CAF) will allow parent(s)/ carer(s) to express three preferences in rank order and to state reasons for the preferences. The form will also allow parent(s)/carer(s) to provide denominational reasons in support of their application e.g. baptismal / church membership and attendance / mosque membership.

When applying for admission for the following schools parent(s)/carer(s) must also complete the supplementary information form (SIF) that is available within the Council's prospectus and should be returned to the school:

- St Wilfrid's CE Academy
- Queen Elizabeth's Grammar School

Parent(s)/carer(s) who are applying for admission under the faith category for the following schools must also complete the supplementary information form (SIF) form which is available within the Council's prospectus and should be returned to the school.

- Tauheedul Islam Girls' High School
- Tauheedul Islam Boys High School

No application will be processed without an online application form or a common application form.

Parent(s)/carer(s) of Blackburn with Darwen children resident in the borough wishing to apply for admission at schools in neighbouring Councils must list the preference(s) on the Blackburn with Darwen common application form/online form.

PLEASE NOTE - Where more than one person with Parental Responsibility for the child submits an application for the same child, then neither application will be considered and the parents/carers will be asked to agree a single application. The local authority will require the parents to resolve matters between themselves, taking legal advice if necessary and inform the local authority which application should be processed. If agreement is not reached or a legal decision is not made before the closing date, this may affect the chances of your child being allocated a place at the preferred school(s).

2.4 Stage 2 - Process for considering applications

The Local Authority will provide admission authorities with details of all children whose parent(s)/carer(s) have indicated the school as a preference on the common application form by **28 November 2023**. The order of preferences will not be included in the details sent to each school.

By **15 December 2023**, each admission authority will apply its own published admission criteria and return to the LA's Schools Admissions Team a list of all applicants, in rank order, in accordance with the published admissions criteria.

Between **2 January 2024** and **2 February 2024** the LA's Schools Admissions Team will consider the list of children that can be offered and refused admission for all schools. Where a child can be offered admission at more than one school, the LA will offer admission at the school that is the highest ranked preference. Any changes to the list of children to be offered and refused admission will be communicated to the schools.

2.5 Stage 3 – Letters offering a school place

The LA's Schools Admissions Team will send letters on **1 March 2024** to all parent(s)/carer(s) of Blackburn with Darwen children informing them of the outcome of the application for admission into a secondary school.

If admission is refused to any of the preferred schools, a letter will be sent which will inform parent(s)/carer(s) of the alternative school to be offered. The LA's letter will advise parent(s)/carer(s) of their right of appeal and provide details of the appeals process.

All parent(s)/carer(s) will be asked to confirm acceptance/refusal of the school place offered, either by using the on-line system or by telephone to the Council's Schools Admissions Team, by **14 March 2024**. After this date the LA will inform the relevant Admission Authorities of the children whose parent(s)/carer(s) have not accepted the places offered at their schools.

The Admission Authorities will write to these parent(s)/carer(s), informing them that if the place is not accepted within 7 days (either via the on-line system or by telephone), the place will be withdrawn. If after 7 days the place has not been accepted, the Admission Authorities will tell the LA which children to withdraw from the offer list. If the school has a reserve list the LA will make further offers and inform the schools of these children. The process will continue until all places have been allocated.

3. Late applications

3.1 Late applications received between the closing date and the allocation date

The closing date will as far as possible be observed. If there are exceptional reasons for the delay, then provided the application is received before **26 January 2024** ("the cut-off date"), a late application may be considered alongside the applications which were submitted on time. The exceptional reasons may include the following:

- Parent(s)/carer(s) who have moved or are moving into the borough after the closing date
- Parent(s)/carer(s) were abroad for the whole period between the publication of the LA's admission booklet and the closing date for the application form
- Parental/carers/child illness which required hospitalisation for the major part of the period between the publication of the LA's admission booklet and the closing date for the application form

If the Admission Authority is not satisfied that there were relevant exceptional circumstances for the delay then any application form received after the closing date but before places are allocated will only be considered after all the on-time applications have been considered and allocated places.

Please note that if a late application is received after the cut-off date, it will not be possible for the Admission Authority to consider it alongside the on-time applications even if there are exceptional reasons for the delay.

Parent(s)/carer(s) of BwD children will be sent letters from the LA informing them of the outcome of the application for admission to secondary schools on **1 March 2024**.

3.2. Applications received after the allocation date

The LA will continue to manage the co-ordinated admission arrangements after the allocation date until **31 August 2024**. If an application is made after the 31 August 2024, the application will be processed in line with the In Year Coordinated Admissions Scheme.

Anyone applying after places have been allocated must still complete the LA common application form. The application form and any relevant documents will be passed on to the appropriate admission authority for consideration. The LA will retain responsibility for informing parent(s)/carer(s) about the outcome of their application.

If admission is refused to any of the preferred schools, a letter will be sent to inform parent(s)/carer(s) of the alternative school to be offered. The LA's letter will advise parent(s)/carer(s) of their right of appeal and provide details of the appeals process.

4. Waiting lists & change of preferences

4.1 Waiting list

All admission authorities must maintain a waiting list until at least 31 December in the academic year of admission for every oversubscribed school. The admission authority must use the existing oversubscription criteria to rank the children. As no distinction will be made on the waiting list between applications received on time and late applications, the waiting list will remain fluid.

4.2 Change of preferences

A change of preference after the closing date (but before the cut-off date) will only be acceptable in exceptional circumstances. This is likely to be when there is a change of address. Verification must be provided e.g. letter from a solicitor exchanging contracts or a tenancy agreement.

If parent(s)/carer(s) wish to change a preference after the cut-off date, then they must follow the process outlined in the section Applications received after the allocation date. Since this is effectively a request for admission to a school(s) not previously indicated on the original application form, the parents/carers must complete a fresh application form. Where a place cannot be offered, the child's details will be placed on the waiting list and parent(s)/carer(s) will be advised of alternative schools which have places available.

4.3 In year admissions

The LA has formulated a scheme for the co-ordination of all in year admissions.
