APRIL 2023

## FAITH IN ACTION

### CAFOD

During Lent our whole school raised money for CAFOD. In March we welcomed Susan Kambalu from CAFOD's head office where she delivered a revision session to some of our Year 11 pupils.

Susan also met members of our Pupil Social Justice Team. She talked to them about the importance of putting their faith into action and discussed their work with them. She was very impressed with their efforts so far!

### SPONSORED SILENCE

Izabela in Year 8 raised money for CAFOD spending a whole day in silence! She was sponsored for her efforts and raised the total of £86. Well done Izabela!

### CARITAS AWARD

Every term we present the Caritas Call to Action Award to a group or pupil who has put their faith into action. Well done to Mr Thomas' Prep Group who won the award for their work with Nightsafe and the Foodbank.

## FAITH IN ACTION

### GUARDIANS OF CREATION

As part of the Guardians of Creation project that our pupils took part in last year, we have provided herb planters in each Prep group that pupils take responsibility for. Here are some of the results of the cultivation that has taken place! We hope to use the herbs in the food that is made in the school kitchen.

### SOCIAL JUSTICE GROUP

This term we have welcomed new members to our Year 8 and 9 Social Justice Group. The team have worked on charity events to raise money for CAFOD. They have contributed to the 'Lent thoughts of the day', a Caritas initiative run within the Salford Diocese. They have great plans to help in the community this Spring!

## LENT

### PRAYER ROOM

During Lent, Year 8 pupils and staff visited our school Prayer Room. Pupils took part in a reflective activity with their Prep tutors. The Prayer Room was also open at lunch as a quiet space.

### ASH WEDNESDAY

All of our school community attended Ash Wednesday Services in school. Year 11 Pupil Leaders delivered a Lenten service that allowed us to remember the importance of this day.

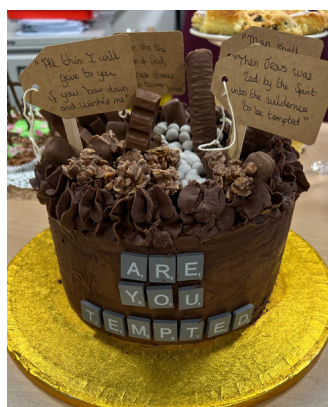

### DAY OF REFLECTION

On Tuesday 28th March, we welcomed Fr. Brian for a day of reflection. All year groups participated in a service where they contemplated the important messages of Lent.

### BEDE'S BAKE OFF

Members of St Bede's staff celebrated Shrove Tuesday by baking some exciting cake creations to represent their subject. Well done to Mrs Couling who won 1st place with her 'Motherboard' cake.

WE WELCOME OUR ST. BEDE'S  
FAMILIES TO OUR...
