

St Bede's

Roman Catholic High School

PHOTOGRAPHY AND PUBLICITY

Dear Parents,

St Bede's provides a wide range of experiences for young people in our school. In order to raise awareness of such events or to celebrate the success of our young people, we like to publicise these events both within school, through our social media platforms, the press or through our website. This often involves the use of photographic images and videos.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child.

Please visit the [Update Information](#) section on Edulink if you wish to give consent.

Yours Sincerely

Mr D Milton
Headteacher
