

# **PUBLICITY AND PHOTOGRAPHY**

Dear Parents,

St Bede's provides a wide range of experiences for young people in our school. In order to raise awareness of such events or to celebrate the success of our young people, we like to publicise these events both within school, through the school prospectus, the press or through a website. This often involves the use of photographic images.

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make any recordings of your child.

Please visit the 'Update Information' section of Edulink if you would like to give permission for photographs and recordings of child to be used for school purposes and publicity.

Yours Sincerely

Mr D Milton
