All timetable information provided by the School Transport Team is intended to be a guide to pupils and parents or guardians.

While every effort is made to give accurate information, it may be necessary at times to make changes at short notice for operational reasons.

Some locations are served by more than one bus because of the high number of pupils travelling and the need for the School Transport Team to control pupils' allocation to buses in order to ensure buses are not overloaded. If allocated to a specific bus service, please ensure your child uses the allocated service otherwise other pupils may be left stranded.

Delays to timetable by accidents, road closures, weather or other, cannot be factored in the timetable.

THIS TIMETABLE IS THEREFORE INTENDED AS A GUIDE ONLY.
