Following the Open Evening, I am still considering naming St Bede's as one of my school preferences for my child

Yes No

Comments:

Excellent school with high values shown.

The school had a nice and welcoming feeling, the feedback from pupils was very positive and all of my daughter's questions were answered. The staff were very pleasant and the facilities were great.

Was made to feel welcome by everyone at St Bede's. Felt very comfortable as soon as we arrived. The school has a lovely feel to it and it is our first choice for our son.

The headteacher talk was very informative and showed he is clearly very passionate about the school and its pupils.

We have applied as first choice. Our guide was a credit to herself and the school, gave us so much info, had a lovely time chatting and we were taken aback by how good her relationship was with staff. Every member of staff was friendly and welcoming, and every student we walked past was happy and smiling and proud to be showing off their school.
