

# UNIFORM & APPEARANCE POLICY

Guide

Inspire

Shine

St. Bede's unashamedly sets high standards and has high expectations of its students. This is evident in the way that students have pride in their uniform and appearance. We believe that when students show respect for their uniform as well as their own appearance, they learn a fundamental life skill of aiming to present the best version of themselves when they meet people for the first time. It gives students a sense of identity and of belonging to a community.

Whilst students are wearing the St. Bede's uniform, they represent our school community; uniform should be worn correctly at all times (including travelling to and from school). Students are accepted at St. Bede's on the clear understanding that parents and carers accept and comply with the rules concerning uniform requirements.

Parents may opt for either of the following uniform options:
