YEAR 7 PERSONAL STUDY

In the first half-term, our aim is to develop pupils' independent learning skills and good habits with personal study. Therefore, year 7 students will only receive personal study for **English** and **Maths**, one task per week. In addition to this, we would appreciate parents encouraging pupils to read daily and use Sparxmaths.com; all students have a login for this.

After October half-term, pupils will have one task per week for **English, Maths** and **Science**. They will have one task per fortnight for **RE, History, Geography** and **Spanish**. Pupils have personal study tasks set evenly across the week and half-term as much as possible. They will have approximately one week to complete the tasks. Pupils should complete the tasks in full and with maximum effort. On top of this we would appreciate parents encouraging pupils to read daily and use Sparxmaths.com for extra Maths study. All pupils have a login for this.

To ensure the amount of personal study is appropriate to the amount of curriculum time a subject has, one task will be given each half term for **Art, Drama, DT, Music, Computing** and **PE**. To ensure these are spread across each half-term, examples of dates are given below.
