

YEAR 9 PERSONAL STUDY TIMETABLE

Throughout the year, our aim is to develop students' independent learning skills and good habits with personal study. From the second week of September, pupils will have one personal study task per week for **English, Maths and Science**, and one task per fortnight for **RE, History, Geography and Spanish** in a lesson appropriate for their teaching group. Pupils have personal study tasks set evenly across the week and half-term as much as possible. They will have approximately one week to complete the tasks. Pupils should complete tasks in full and with maximum effort. In addition to this, we would appreciate parents encouraging pupils to read daily and use Sparxmaths.com for extra Maths study. All pupils will have a login for this.

To ensure the volume of personal study is appropriate to the curriculum time per subject, one task will be given each half term for **Art, Drama, Music, Technologies and PE**. To ensure these are spread across each half-term, examples of dates are given towards the bottom of this document.
